insect

pinecone

fern

bird

leaf

evergreen
tree

scat
(animal
poop!)

animal
tracks

mushroom

rock

furry
animal

spiderweb

EXPLORE FURTHER

Questions to engage your explorer's curiosity

Stand quietly in one place for a few minutes and count how many different sounds you hear. Would you hear these same sounds at other times of the day?

If you were to do this scavenger hunt in another season, would you be able to find all of these items? Why or why not?
